If you're sick and tired of marketing that doesn't work, lackluster sales, and inadequate profits, then join us for an exclusive, invitation-only Profit Acceleration Workshop for local Business Owners ONLY!

Imagine gathering with a select group of local business owners and discovering new ways you can double or triple your current number of new leads EVERY month, double your current sales volume, and leave with a step-by-step process to take your business well into the 7-figure revenue range.

**C BRADLEY FRANK**  
PERFORMANCE AND BUSINESS MEDIC

**During this eye-opening workshop, we're going to show you everything you need to know to accomplish the following:**

- Double/triple your current lead flow every month
- Double your current sales volume
- Learn simple, easy-to-implement, no-cost strategies that will instantly add cash flow to your business
- How to effectively market your business on the internet
- How to get your website 10X more productive than it is right now
- How to generate the exact same PROFIT as a \$1 million business but with just 25% of the revenue
- How to use joint ventures and affiliates to double your sales this year

Not only will we share our many years of experience in helping small business owners build multimillion-dollar businesses, but you will be attending with a cross-section of your fellow local business owners, eager to share their real-life experiences and successes so we can all discover what is working and what is NOT working locally.

Since only ONE industry will be represented at this workshop, no one will have any reservations about revealing what is working well for their specific business.

The information you will leave this workshop with will enable you to go back to work and literally out-market, out-sell, and out-position your competition.
